"Realization of Full Employment and High and Stable Levels of Effective Demand."

1. Each member shall take action designed to achieve and maintain full and productive employment and high and stable levels of effective demand within its own jurisdiction through measures appropriate to its political, economic and social institutions.

2. Measures to sustain employment and demand shall be consistent with the purposes, and as far as practicable with the provisions of this Charter. In the choice of such measures members shall, where these are necessary to realize the purpose of this Article, apply procedures to balance visible and invisible imports and exports; and may also as part of such procedures, determine classes and quantities of imports where this is the only effective means of carrying out the purpose of this Article.

3. In applying any measures to sustain employment and demand, members shall seek to avoid creating balance of payment difficulties for other members.

4. Any member who considers his interests adversely affected by the measures employed by another may complain to the organization whereupon the procedure prescribed in Article 35 shall apply."
