UNITED NATIONS CONFERENCE ON TRADE AND EMPLOYMENT

AMENDMENT PROPOSED BY THE BELGO–LUXEMBOURG DELEGATION

ART. 26 – Paragraph 3 (e)

Add the following at the end of the first sentence:
"in so far as the methods used are aimed at the development rather than the contraction of international exchange."

Comment:

The present amendment aims at bringing Article 26 into line with Chapters III and IV and with the fundamental objects of the Charter. The observations of the Sub-Committee on Article 6 (cf. E/PC/T/95, pages 4 and 5) hold equally good in the case envisaged in paragraph 3 (e) of Article 26.
