MEETING OF 15 DECEMBER 1993

Note by the Secretariat

Corrigendum

In paragraph 4, at the end of the second line (after "by the time of") add the following, which was omitted due to a technical error in the transcription of the English text for printing (the French and Spanish texts are correct):

"today’s TNC meeting, to include also the results of the negotiations with the United States. In the non-agricultural area, despite back-tracking by some major partners, Japan was maintaining its offer, amounting to a 60 per cent average duty reduction, and was even showing additional"
