PREPARATION OF THE URUGUAY ROUND SCHEDULES OF CONCESSIONS ON MARKET ACCESS

Note by the Secretariat

Addendum

1. As noted in paragraph 17 of MTN.GNG/MA/W/25 the supporting tables relating to Agricultural domestic support and export subsidy commitments are, as appropriate, required to be specifically noted in Sections I and II, respectively, of Part IV of Schedules, together with the reference to the official GATT document in which the relevant supporting material in its final form has been registered with the Secretariat. (MTN.GNG/MA/W/24, paragraph 22, refers).

2. The document symbol under which the supporting material is to be registered will be "AGST" followed by the standard country abbreviation of the participant concerned. Thus the official document reference for Uruguay, for example, will be "AGST/URY".

3. In order to facilitate the preparation of Part IV of the draft final Schedules to be submitted by 15 February 1994, participants should use this symbol to refer to the document in which the relevant tables of supporting material have been or are to be registered. Tables of supporting material should be submitted to the Secretariat together with the draft final Schedules.
