1. In document MTN.GNG/NG1/11, paragraph 5, third line from the end "in its national budget" should read "in the national budgets of its customs union's partners".

2. Paragraph 9 should read as follows:

"Some participants stressed the need for credit to be given for bindings. They also underlined the importance of appropriate recognition to be given to liberalization measures taken since 1 June 1986. One of these participants stated that it would submit a paper on the credit for bindings in due course."
