NEGOTIATING GROUP ON GATT ARTICLES

Note on Meeting of 25-27 May 1988

Corrigendum

The penultimate sentence of paragraph nine of MTN.GNG/NG7/7 should read as follows:

"It was pointed out that the issues on the Uruguay Round agenda had been agreed by consensus. Restrictive Business Practices, for example, had not been agreed, to the dissatisfaction of a number of participants. The reference to countertrade seemed to be an attempt to include a new issue on the agenda, though it had never been accepted."
