The following communication has been received from the Delegation of Canada with the request that it be circulated to members of the Trade Negotiations Committee.
This document is intended to provide delegates with some preliminary information on the facilities for the Uruguay Round: Montreal Ministerial Meeting which will be held December 5-9, 1988 at the Montreal Convention Centre (Palais des congrès) in Canada.

We trust that our technical support to the GATT Secretariat and services to delegates will make your time in Montreal enjoyable and contribute to a successful meeting.

The Task Force for the Montreal Ministerial Meeting will be pleased to assist delegates with all enquiries regarding services and facilities:

Arrivals

Most delegates will be arriving by air through either Mirabel Airport (45 minutes to downtown) or Dorval Airport (20 minutes to downtown).

Air Canada and Canadian Airlines have direct flights to Mirabel and Dorval from most major cities in the world. The following airlines have direct flights to Mirabel from their country of origin: Aerlingus, Aerolineas Argentinas, Air France, Al Italia, British Airways, Cubana Airlines, El Al, Finair, Iberia, K.L.M., Lan Chile, Lot Polish, Lufthansa, Olympic Airways, Royal Air Maroc, Sabena, Swiss Air, Tap Air Portugal, Trans Brazil, Varig, Yugoslav Air

Arrangements will be made at both airports to facilitate customs, immigration and baggage clearance and quick transfer to hotels.

Transport

Heads of delegation will each be provided a car and driver throughout their stay in Montreal. Other delegates will be provided coach transfer to and from airports to downtown hotels.
Visas

Canadian Embassies abroad can normally provide diplomatic and official visas within 2-3 weeks. Delegates resident in countries not having a Canadian Embassy should contact the closest one in order to determine the procedures to follow.

Immunities

Ministers and those delegates holding diplomatic passports will receive diplomatic visas. Foreign government employees and employees of international organizations will receive "official" visas. The Canadian authorities normally accord diplomatic immunity to holders of diplomatic and official visas.

Registration

Upon arrival in Montreal we expect delegates will be able to complete their registration at the major hotels on December 2, 3 and 4 or at the Convention Centre from December 3. Note that advance information on delegates will accelerate the registration process.

Media Registration

It would be helpful in planning press facilities if delegations which have information regarding the number of journalists from their countries likely to cover the Ministerial Meeting could communicate it both to the Task Force of the Montreal Ministerial Meeting and to the GATT Secretariat.

Hotels

Six of the larger downtown hotels in Montreal have set aside rooms and suites for delegations to the Montreal Ministerial Meeting. Delegations wishing to be accommodated in the same hotel and wishing a better choice of rooms should reserve rooms directly as soon as possible. The specially negotiated price indicated is available to delegations who, at the time the reservation is made, identify themselves as participants in the Montreal Ministerial Meeting.
The six hotels which have set aside rooms are:

The Palais des Congrès:

The Montreal convention centre is located in downtown Montreal (210 Viger Avenue West) minutes away from major hotels, restaurants and shopping and on the main metro line.

First aid, banking, tourist, restaurant and bar facilities will be located in the Palais.

All meeting rooms will be located on one level. Meeting rooms for special groups (eg. Nordics, Cairns, European Community, Developing Countries, etc.) will be available on site. Offices of the Meeting Chairman and the GATT Secretariat will also be located in the Palais.

In addition, a small office, security lock up and phone will be available to all delegations on request. These offices will be adjacent to a business centre designed to handle urgent overload typing, copying and message transmission. There will also be available in the business centre a number of small meeting rooms for use by all delegations as required.

Located below the main meeting floor will be the press centre including briefing rooms, studios, phones, telex and other media requirements.

Delegation Offices:

Provided the Task Force can be informed prior to November 3 they are prepared to provide without charge one small office (2 m. x 3 m.) per delegation at the Palais. These offices would each be equipped with a telephone, table and chairs and upon request could include a cabinet lock up.

These small offices will be located on the conference floor adjacent to a business centre (see page 7). Several small conference rooms (10-12 people) will also be available for delegation needs.

Delegations requiring more elaborate offices, meeting rooms, equipment etc. are encouraged to make their own arrangements. In this regard the major hotels are normally well equipped to handle office set up.
Should the hotel not be able to fill your requirements the following Montreal firms can provide specialized office services. These firms have been informed that delegations may be in touch with them regarding various office services:

Business Centre

The business centre will be located on the main conference floor of the Palais des congrès and will be operational from Dec 3. The following urgent and overload services for delegates will be available: word processing, photocopying, facsimile transmission, message transmission, paper shredding.

It is worth noting that the hotels offer similar services to their clients.

Activity Program

A number of excursions of a sightseeing, sporting and cultural nature will be available within and outside Montreal for accompanying spouses and members of delegations who can spare the time.

Language

Canada’s two official languages, French and English are spoken in downtown Montreal.

Simultaneous translation in the three languages of the GATT (French, English, Spanish) will be available in the main meeting rooms.
Exchange rates and banking

The Canadian dollar at the end of April 1988 was valued at:

Airport and downtown banks will all handle foreign currency exchange. Banks are generally open Mon-Wed 10 - 3 pm and somewhat longer on Thurs and Fri.

A bank facility will be located on the conference floor of the Palais des congrès.

All major credit cards are accepted throughout Montreal.

Montreal

It could be sunny and mild in Montreal in December. On the other hand it could be cold and grey perhaps even with some snow. Average temperatures in early December range between -1 oC and -9 oC.

But Montreal has organized an underground system of boutiques and restaurants linking the major office complexes. Thus it will be possible for most delegates to avoid the outdoors if it is really disagreeable.

Montreal is an international city featuring a wide variety of attractions for a foreign visitor. There are many first rate restaurants in Montreal (a number of them located near the Palais des Congrès) and the city’s nightlife is renowned.

Tourist literature and maps of Montreal are available by contacting the Task Force or from the GATT Secretariat in Geneva, the Canadian Mission in Geneva and most Canadian Embassies, High Commissions and Consulates abroad.

We look forward to welcoming you to Canada and to Montreal in December 1988.
