COMMUNICATION FROM BRAZIL

The following communication, dated 18 September 1986, has been received from the delegation of Brazil as a proposed amendment to document PREP.COM(86)W/47/Rev.2.

IV. SUBJECTS FOR NEGOTIATIONS

Trade Related Aspects of Intellectual Property Rights, including Trade in Counterfeit Goods

Replace the title and its content by the following:

Trade in Counterfeit Goods

Recognizing the importance for international trade of the prevention of deceptive practices and taking into account the work already accomplished in GATT on the subject of trade in counterfeit goods, the operation of the relevant GATT provisions, including Articles IX:6 and XX(d), will be reviewed, with the aim, through negotiations, of establishing agreed disciplines, in accordance with the principles, procedures and practices of the GATT.
