COMMUNICATION FROM MAURITIUS

The following communication, dated 19 September 1986, has been received from the delegation of Mauritius with the request that it be circulated as a proposed amendment to PREP.COM(86)W/47/Rev.2.

Add the following paragraph to the General Principles Governing Negotiations:

CONTRACTING PARTIES agree that during the negotiations particular attention will be paid to respect and safeguard contractual commitments already entered into between a number of developing countries and some developed countries.
