COMMUNICATION FROM PERU

The following communication, dated 18 September 1986, has been received from the delegation of Peru as a proposed amendment to document PREP.COM(86)W/47/Rev.2.

PREAMBLE

Add the following as the first paragraph:

MINDFUL of the negative effects of prolonged financial and monetary instability in the world economy, the indebtedness of a large number of less developed contracting parties, and considering the linkage between trade, money, finance and development.
