

# GENERAL AGREEMENT ON TARIFFS AND TRADE

No. \_\_\_\_\_

CPC(SECRET)6/Add.4  
19 January 1984

Special Distribution

Preferential Arrangements  
Among Developing Countries  
Negotiated in GATT

Original: Spanish

## ACCESSION OF ARGENTINA

### Communication from Argentina

#### Addendum

In connection with Argentina's application for accession to the Protocol Relating to Trade Negotiations Among Developing Countries, the following communication from the Permanent Mission of Argentina is circulated to participating countries subject to the requirements of confidentiality.

---

I have pleasure in sending you herewith Argentina's list of offers for the countries signatories of the Protocol, and I should be glad if you would distribute it among the members of the Committee.

This list may be regarded as additional to that submitted by Argentina earlier on and issued under CPC(SECRET)6.

Similarly, I have to inform you that as soon as we have received the commentary on this supplementary list from the countries members of the Committee, Argentina will submit a list of requests for concessions.

Attached to the list is an unofficial translation of products and tariff headings.

Please be good enough to place the contents of this note likewise at the disposal of all interested parties.

Argentina's list of offers

<u>Product description</u>	<u>NADD (Argentine tariff)</u>	<u>Preference in relation to MFN tariff</u>
1. P-Chloro-0-nitroaniline	29.22.00.02.19	10%
2. Dianisidine and its salts	29.23.00.02.13	10%
3. Nitroanisidine	29.23.00.02.36	10%
4. Diagnostic equipment for the detection of blood in faecal matter, consisting of filter paper impregnated with stable guaiac resin, developing solution, leaflets on the tests and materials needed for taking, storing and dispatching samples	38.19.03.11.07	10%
5. Rotary-table vertical milling machines	84.45.04.04.04	5%
6. Digital control automatic milling machines, with co-ordinated operations system, with speed change gears for the table spindle and feed, controlled by a connex tape, punched card or magnetic computer which interprets instructions	84.45.04.02.03	5%
7. Digital control machining combines, universal machine-tools with three axes or more, with devices for adjustment and locking at each pre-determined point, with spindle speed and feed change and with automatic tool-changing system controlled by a connex tape, punched card or magnetic computer which interprets instructions	84.45.04.02.04	5%
8. Horizontal lathes for optical work and clock and watch-making	84.45.03.01.03	5%
9. Backing-off lathes	84.45.03.05.01	5%
10. Crankshaft lathes	84.45.03.05.02	5%
11. Lathes for turning assembled bogie axles	84.45.03.05.03	5%
12. Lathes for turning polygonal parts	84.45.03.05.04	5%
13. Bar scraping or planing machines	84.45.03.05.06	5%
14. Self-propelled cranes consisting of a revolving jib with a lift capacity of more than twenty-five tons measured along a perpendicular not less than three metres from the rotation centre and with the crane forming an angle of 0°-180° with the axis of the carrier vehicle, on a chassis with a load capacity of more than forty tons	84.03.00.03.01	10%

<u>Product description</u>	<u>NADD (Argentine tariff</u>	<u>Preference in relation to MFN tariff</u>
15. Self-propelled laboratory vehicles for electrical and radioactive profiles at oil wells, of a total weight of twenty tons or more, equipped with a multi-channel cable not less than 6,000 metres long, a digital computer with a storage capacity of not less than 24,000 characters and an optical recorder equipped with sixteen or more channels	87.03.00.05.01	10%
16. Single-seater fixed-wing gliders	88.02.01.01.01	10%
17. Multi-seater fixed-wing gliders	88.02.01.01.02	10%
18. Flexible-wing gliders	88.02.01.02.00	10%
19. Electronic controlling appliances for checking the levels of dyeing or bleaching baths	90.28.03.02.08	10%
20. Electronic induction flowmeters for measuring flow without reduction of tubes, for textile-dyeing machines	90.28.03.02.09	10%
21. Electronic regulator-controllers with thermic resistors and silicon cables for thermo-welding of textiles	90.28.03.02.10	10%
