GATT Office Circular No. 49/Add.1

DOCUMENTS HAVING SPECIAL DISTRIBUTION

Addendum

The last sentence of paragraph 3 should read as follows:

"No stocks will be kept of these documents by the Pool Supervisor unless specific instructions are given by the requesting officer who should take into account any subsequent use of the document in question. If it is considered that stocks are not necessary, he may deem it useful to keep the stencils for a later re-roll. The requesting officer is furthermore responsible for indicating to the Pool Supervisor the distribution, if any, that should be made within the secretariat, keeping in mind all interested persons that should receive a copy."
