

5 June 1959

GATT Office Circular N° 55

LIST OF LIAISON OFFICERS AND REPRESENTATIVES

1. The persons listed below are to receive a copy of all official communications sent directly to their governments.
2. Although airgrams are sent only to ministers for foreign affairs, etc., a copy marked "for information" is to be addressed to each of the persons listed below. For the convenience of representatives, care should be taken that the copy of the airgram be sent in the language indicated by the address below even though the original may be sent to his government in the other language.
3. For their convenience, an extra copy (stamped "copy for information") of any correspondence sent directly to liaison officers and representatives listed below should be prepared on headed airmail stationery, and it should be attached to and despatched with the original. It should be remembered that for any correspondence of which a copy is to be sent to anyone outside the GATT secretariat, the copy should be prepared on headed airmail stationery and stamped "copy for information" so as to avoid any confusion in the mind of the recipient as to its origin or purpose. Likewise, any attachment to a letter of this nature which heretofore was despatched in one copy should be sent in future in duplicate.
4. Due to the fact that the present Chairman of the CONTRACTING PARTIES, Ambassador Garcia Oldini, is the liaison officer for Chile, he thus receives copies of all correspondence, documents, airgrams, etc., usually sent to the Chairman; therefore, no copies of the aforementioned need be sent to him in his capacity as Chairman. If it is necessary to write to him as Chairman, correspondence should be in French; his address is:
