Corrigendum

Annex 5, page 24:

Add: EEC Germany Fed. Rep. 2701

Annex 6, page 82:

For EEC Germany Fed. Rep., Add: 2701

Annex 8, page 116:

Add: EEC Germany Fed. Rep. 2701

Annex 9, page 143:

After "Article XIX, Emergency Action", add:

Germany, Fed. Rep. (2701): It has been stated that safeguard action taken under Article XIX must be of a temporary nature and the continued justification under that Article of a restriction on imports of hard coal in force since 1958 has been questioned.¹

Annex 15, page 164

Under "Germany, Fed. Rep.":

- (i) First line, delete "and coal";
- (ii) At the end of the paragraph, add: "These represent corrections to the previous notification and do not reflect a change in import regulations."

NOTE: In NTM/W/17/Add.2, pages 163-200, the restrictions notified in the Inventory of Non-Tariff Measures (Industrial Products) as being applied by member States of the EEC have been listed under "EEC Community" instead of under the individual member States. A corrigendum with replacement pages will be issued shortly.
