Transport

Bus Service (See Circulars dated 23 May 1955, Spec/222/55 and 3 June 1955 Spec/226/55)

The secretariat has been informed by the Geneva authorities that the special bus service leaving Cornavin at 9.00, 9.30 and 10.00 a.m. was running at a loss to the company and that its services will be suspended as from 16 June 1955.

The secretariat has however been able to arrange that the 9.00 a.m. service be maintained until further notice and delegates are requested to use that special bus service during week-days. As for Saturdays, delegates can avail themselves of the GATT service car leaving the Vieux-Bois at 9.15 a.m. as stated in Circular Spec/226/55.
