RESTRICTED

Spec(80)39

Working Party on Accession of Greece
to the European Communities

Original: French

DOCUMENTATION SUPPLIED BY THE EUROPEAN COMMUNITIES

The following communication, dated 31 October 1980, has been received from the delegation of the European Communities.

At the meeting of the Working Party on Accession of Greece to the European Communities on 14 July 1980, the spokesman for the European Communities stated that the European Communities would supply the Working Party with certain documentation in the autumn of 1980.

As some of these documents are already available while others will be by the end of the year, it seemed useful to provide the Working Party with the material available at the present time.

I therefore have the honour to communicate the tariffs of the European Communities for 1979 and 1980, each in thirty copies in English and twenty copies in French. I am also forwarding documents containing a list of duties applicable to third countries under agreements concluded with the European Communities, again in thirty copies in English and twenty copies in French.

As regards the list of bindings, there is annexed hereto a reference list of the constituent documents.

¹ A copy of the documents in question is being sent to each member of the Working Party.
