Insert in paragraph 17 after the first sentence the following new sentence:
"In that sense, he considered that courses of action should be sought for
modifying and resolving that abnormal situation, underlining that the export
levels reached could not constitute a precedent for any understanding on market
organization."

In the English and Spanish text of paragraph 20 the third sentence should
read: "The EC did not see any difficulties in applying this quota erga omnes, it
being understood that the quality of the beef is indeed that specified in the
EC regulation."
