Addendum

Add the following after paragraph 17 on page 5:

"17 bis. After the consultation the delegation of Australia provided the following information in response to requests made by the ASEAN and the Philippines during the consultation.

44.14.9: Wood sawn lengthwise etc. and 44.15: Plywood

These products are covered by the Industries Assistance Commission (IAC) final report on Wood and Articles of Wood, which is still under consideration by the Government. The ASEAN representations will be considered by the Government when determining the appropriate rates of duty.

44.14: Wood sawn lengthwise etc., cut to size for making boxes, veneer sheets and sheets for plywood etc.

This item has been discussed at a number of Philippines/Australia Joint Commission meetings in recent years. The products are covered by the Industries Assistance Commission (IAC) final report on Wood and Articles of Wood, which is still under consideration by the Government. The Philippines' representations will be considered by the Government when determining the appropriate DC (GSP) rates of duty."
