INTERNATIONAL DAIRY PRODUCTS COUNCIL

TWENTIETH SESSION

Draft Report

Chairman: Mr. K. Lillerud

Addendum

Certain participants have expressed a formal objection to a change being made in the text of the Draft Report of the twentieth session of the International Dairy Products Council, as suggested in document Spec(89)7/Add.1.

Following consultations with participants having expressed an opinion on the matter, the Chairman of the Council considered that the Report could be circulated without the suggested amendment being made.
