ACCESSION OF CHINESE TAIPEI

Communication from Chinese Taipei

The following communication has been received from the Representation of Chinese Taipei.

I have the honour to forward to you the following laws and regulations regarding our agricultural products:

1. Operating Procedures Governing Applications to Import Wheat and Operation of the Stabilization Fund;
 2. Operating Procedures Governing Applications to Import Wheat Flour and Operation of the Stabilization Fund;
 3. Guidelines Governing Food Companies Applying to Import Raw Glutinous Rice/Powder for Processing for Export;
 4. Guidelines Governing Applications to Import Adzuki Beans;
 5. Guidelines Governing the Application for and Issuance of Fertilizer Registration Certificate;
 6. Agro-Pesticide Act;
 7. Operating Rules for Screening Applications to Import Fishing Vessels Using New Fishing Methods;
 8. Guidelines for Screening Applications for Letter of Approval for the Importation of Livestock and Poultry;
 9. Feeds Control Act;
 10. Veterinary Drugs Control Act.
- _____

The above-mentioned laws and regulations are available, in the English language, for consultation in the Secretariat (Office 2078).
