Dear Ambassador,

In connection with the European Economic Community's Agreement on trade in textile products with Romania initialled on 23 July 1982 and negotiated pursuant to Article 4 of the Arrangement, I have the honour to inform you of the following:

During the course of 1983 imports of womens' and girls' woven suits (category 29) from Romania into France exceeded 17,000 pieces, being the level at which the Community could ask for consultations with a view to establishing a regional limit under the provisions of Article 7 of the bilateral Agreement. The Community, having deemed that there was real risk of market disruption in this case, the two sides consulted on 18 October 1983 in pursuance of Article 15 of the Agreement. As a result of these consultations, and in conformity with the provisions of the Agreement, Romania agreed to limit exports to France as follows:

Category	Unit	Member State	1983	1984	1985	1986
29	1000 pieces	F	45	47	49	51

This new limit contained in the Agreed Minute annexed to this letter, is herewith communicated under Article 4, Paragraph 4, of the Arrangement, as a modification to the Community's Agreement with Romania.
