Dear Mr. Chairman:

Pursuant to the provisions of paragraph 4 of Article 4 of the Arrangement Regarding International Trade in Textiles, I am instructed by my government to inform the Textiles Surveillance Body that new restraints have been established on Category 604 (mmf yarn) pursuant to the consultation procedures set out in paragraph 8 of the wool and man-made fiber textiles agreement between the Government of the United States of America and the Government of Romania.

This new restraint, which is set out in the attachment to this letter, was sought in order to address a real risk of market disruption with respect to the product concerned.

Sincerely,

Robert E. Shepherd
