UNITED STATES AND MAURITIUS SIGN NEW BILATERAL TEXTILE AGREEMENT

The United States and Mauritius effected a new bilateral textile agreement concerning export of cotton, wool, and man-made fiber textiles and apparel. Texts of the letters exchanged in Port Louis follow:

UNITED STATES LETTER

Port Louis
June 3, 1985

His Excellency
Abdool Kader Ahmed Bhayat
Minister of Trade and Shipping
Port Louis

Excellency:

I have the honor to refer to consultations held February 28 through March 4, 1985 between representatives of the Government of the United States of America and the Government of Mauritius in Port Louis concerning export from Mauritius of cotton, wool, and man-made fiber textiles and apparel.

1. Agreement Term

(A) The term of this agreement will be the period from October 1, 1984 through September 30, 1990,

except that the agreement term for Category 340 shall commence on November 1, 1984 and Categories 338, 339, 638 and 639 shall commence on March 1, 1985. Each full "agreement period" shall be a twelve-month period from October 1 of a given year to September 30 of the following year.

(B) This agreement replaces and supersedes the textile agreement which was to expire September 30, 1985.

2. Coverage of Agreement

(A) Textiles and textile products covered by this agreement are those summarized in Annex A.

(B) The knit group limit covers Categories 338, 339, 345, 438, 445, 446, 638, 639, 645, and 646 during October 1, 1984 - February 28, 1985, and Categories 345, 438, 445, 446, 645 and 646 for exports after March 1, 1985.

Classification

(C) For the purposes of this agreement, textile products shall be classified as cotton, wool, or man-made fiber textiles if wholly or in chief value of any of these fibers. Products covered by this subparagraph but not in chief value of cotton, wool, or man-made fiber shall be classified as:

(I) Cotton textiles if containing 50 percent or more by weight of cotton, or if the cotton with wool and/or man-made fibers in the aggregate

equal or exceed 50 percent by weight and the cotton component equals or exceeds the weight of each of the total wool and/or man-made fiber components;

(II) Wool textiles if not cotton, and wool equals or exceeds 17 percent by weight of all component fibers; and

(D) The system of categories and the rate of conversion into square yards equivalent listed in Annex A shall apply in implementing this agreement.

(E) For purposes of computing limits and charges the rates of conversion for individual categories set out in Annex A shall be applied.

(III) Man-made fiber textiles if not cotton or wool as described in (I) or (II) above and containing 50 percent or more by weight of man-made fiber, or if man-made fiber in combination with cotton and/or wool in the aggregate equal or exceed 50 percent by weight of the component fibers and the man-made fiber component exceeds the weight of the total wool and/or total cotton component.

3. Handloom-Folklore-Cottage Industry Exemption

This agreement shall not apply to exports of handloom fabrics of the cottage industry, or hand-made (cut, sewn, or otherwise fabricated by hand) cottage industry products made of such handloom fabrics, or to traditional folklore handicraft textile products of Mauritius, when such products are properly certified

under an arrangement to be established between the two governments.

4. Specific Limits

Commencing with the first agreement period and during the subsequent term of this agreement, the Government of Mauritius shall limit annual exports from Mauritius to the United States of cotton, wool, and man-made fiber textiles and textiles products to the specific limits set out in Annex B, as such specific limits may be adjusted in accordance with paragraph 5.

5. Flexibility (Swing)

(A) During any agreement period, the specific limits set out in Annex B excluding the group limit and Category 340, may be exceeded by not more than the seven (7) percent swing (five percent for wool categories), provided that a corresponding reduction in square yards equivalent is made in one or more other specific limits during the same agreement year. For Category 340 swing has been built into the limit, and no additional swing is available.

(B) The Government of Mauritius shall indicate to the Government of the United States the specific limit it intends to increase and which it wishes to decrease.

6. The extent to which any specific limit set out in Annex B may be exceeded in any agreement period by carry forward (borrowing a portion of the corresponding specific limit from the succeeding agreement period) and/or carryover (the use of unused yardage-shortfall of the corresponding specific limit for the previous agreement period) is ten (10) percent, of which carry forward shall not constitute more than five (5) percent.

(A) For the purposes of the agreement, a shortfall occurs when exports of textiles or textile products from Mauritius to the United States during an agreement year are below any specific limit as set out in Annex B or, in the case of any limit decreased pursuant to paragraph 5, when such exports are below the limit as decreased.

(B) No carryover shall be available for application in the first agreement period. No carry forward shall be available for application in the final agreement period.

(C) The Government of Mauritius will notify the Government of the United States when it wishes to use unused yardage (shortfall) available in categories for carryover or when it wishes to use carry forward, subject to the provisions set out above.

7. Overshipment Charges

(A) Exports from Mauritius in excess of authorized limits in any agreement period may be denied entry into the United States. Any such shipments denied entry may be permitted entry into the United

States and charged to the application limit in the succeeding agreement period. The Government of the United States shall inform the Government of Mauritius of any such charges.

(B) Exports from Mauritius in excess of authorized limits in any agreement period will, if allowed entry into the United States during that agreement period be charged to the applicable limit in the succeeding agreement period.

(C) Any action taken pursuant to this paragraph will not prejudice the rights of either side regarding consultations.

8. Spacing Provisions

The Government of Mauritius shall use its best efforts to space exports to the United States within each category, sub-category, or part category evenly throughout each agreement period, taking into consideration normal seasonal factors.

9. U.S. Assistance in Implementation of the Limitation Provisions

The Government of Mauritius shall administer its export control system under this agreement. The Government of the United States may assist the Government of Mauritius in implementing the limitation provision of this agreement by controlling imports, by the date of export, of textiles and textiles products covered by this agreement.

10. Exchange of Data

The Government of the United States shall

promptly supply the Government of Mauritius with data on monthly imports of cotton, man-made fiber, and wool textiles and textile products into the United States from Mauritius. The Government of Mauritius shall promptly supply the Government of the United States with data on monthly exports of cotton, man-made fiber, wool textiles and textile products from Mauritius to the United States. Each government agrees to supply promptly any other available statistical data necessary to the implementation of this agreement.

11. Mutually Satisfactory Administrative

Arrangement

Mutually satisfactory administrative arrangements or adjustments may be made to resolve minor problems arising in the implementation of this agreement, including difference in points of procedure or operation.

12. Consultation on Implementation Questions

The Government of the United States and the Government of Mauritius agree, upon the request of the other, to consult on any question arising in the implementation of this agreement.

13. Right to Propose Revisions to the Agreement

The Government of the United States and the Government of Mauritius may at any time propose revisions in the terms of this agreement. Each agrees

to consult promptly with the other about such proposals with a view to making such revisions to this agreement, or taking such other appropriate action as may be mutually agreed upon.

14. Consultations in Case of Inequity Vis-A-Vis
a Third Country

If the Government of Mauritius considers that as a result of limitations specified in this agreement, it is being placed in an inequitable position in relation to a Third Country, the Government of Mauritius may request consultation with the Government of the United States with a view to taking appropriate remedial actions, such as a reasonable modification of this agreement.

15. The Government of the United States and the Government of Mauritius reserve their rights with respect to textiles and textile products not covered by this agreement.

16. Visa System

Both governments agree to establish a correct category/correct quantity visa system.

17. Provision for Textile Agreements Harmonized
Commodity Code

Both parties recognize that adoption by the Government of the United States of the Harmonized Commodity Code may result in some changes in the United

States category system of textile products as presently covered by this agreement. If such changes are made during the term of this agreement the Government of the United States and the Government of Mauritius will consult with the view of reaching a satisfactory resolution of issues concerning categories covered by this agreement. The Government of Mauritius recognizes that, should there be no resolution in such consultations, the Government of the United States reserves its rights to make such adjustments to the Annexes A and B as necessary to bring it into conformity with the new category systems and with the Harmonized Commodity Code. The intent of this conversion on the part of the Government of the United States is solely to align the current category system with the Harmonized Commodity Code; it is not to diminish or alter overall trade in textiles and apparel with Mauritius.

Consultations under this provision shall be conducted no later than 90 days before final adoption of the Harmonized Commodity Code by the Government of the United States.

Exchange of Information

18. Each government agrees to supply promptly to the other party any information within its possession reasonably believed to be necessary to the enforcement of this agreement.

Right to Terminate the Agreement

19. Either government may terminate this agreement, effective at the end of an agreement period, by written notice to the other government, to be given at least 90 days prior to the end of such agreement period.

If the foregoing conforms with the understanding of the Government of Mauritius, this note and Your Excellency's note of confirmation on behalf of the Government of Mauritius shall constitute an agreement between our two governments.

Accept, Excellency, the assurances of my highest consideration.
