Dear Mr. Chairman,

This is to inform you that consultations were held between the delegations of India and the Government of the United States of America in March 1985 at New Delhi on a number of issues, including category 334 (other cotton coats - men's and boy's). I am instructed to report to the Textiles Surveillance Body that no agreement could be reached on this category during the consultations. The Government of India is deeply concerned that the clear and categorical recommendation of the Textiles Surveillance Body made on 5 July 1984 on category 334 has not been implemented by the US Government. My Government intends to report to this issue very shortly to the TSB.
