Geneva, 5 November 1985

In accordance with the Textiles Surveillance Body's recommendation of 26 September 1985, I have the honour to inform you that consultations have been held by Turkey and the United States on the unilateral restriction measures imposed by the United States against imports from Turkey of 7 categories of textiles and clothing. These consultations which were held in Antalya (Turkey), on 17-18 October 1985 have resulted in an agreement whereby Turkey will restrain exports to the United States of products covered by two of the categories, namely 604, and 313 for the period January 1, 1985 to 31 December 1987.

Please accept, Mr. Chairman, the assurances of my highest consideration.
