The Honorable  
Ambassador Marcelo Raffaelli  
Chairman, Textiles Surveillance Body  
GATT  
Rue De Lausanne 154  
1211 Geneva

Dear Ambassador Raffaelli:

Pursuant to the provisions of paragraph 4 of Article 4 of the Arrangement Regarding International Trade in Textiles I am instructed by my government to inform the Textiles Surveillance Body of the amendment of the textile agreement between the Government of the United States of America and the Government of Jamaica.

This amendment establishes new Guaranteed Access Levels (GAL's) for five products; new Designated Consultation Levels (DCL's) for two products; and new specific limits for three products.

In agreeing to the new GAL's, DCL's and specific limits, cognizance was taken of the objectives of the U.S. Caribbean Basin Textile Program, as well as of the desire to address problems of real risk of market disruption and to ensure the orderly development of trade between Jamaica and the United States.

Supplementary data to facilitate preparation of a fact sheet will be provided separately, as well as an oral explanation at the time of the TSB review of the Caribbean Basin Textile Program and the GAL's agreed in response to it.

Attached hereto are copies of the notes giving effect to this amendment.

Sincerely,

Robert E. Shepherd  
Minister Counsellor
