Dear Mr. Raffaelli,

I write with reference to correspondence ending with your letter of October 19, 1987 regarding information on the status of restrictions maintained on textile products covered by the Arrangement Regarding International Trade in Textiles.

I wish to convey the following:

- 1) In keeping with Jamaica's trade liberalization policy, there are no quantitative restrictions on the importation of textile products;
- 2) Importers are required however to pay certain duties, namely customs and stamp duties.
