In accordance with paragraph 18 of the 1986 Protocol of Extension, the United States Government also reaffirms its willingness to consult promptly with the Government of Yugoslavia regarding any questions of implementation or interpretation which may arise as a result of the conversion to the HCC. The United States Government also reaffirms that these changes are intended to be trade neutral and that they are not intended to alter the ability of Yugoslavia to use or benefit fully from the Agreement.

If these proposals are acceptable to the Government of the Socialist Federal Republic of Yugoslavia, then this Note and the Note of confirmation of the Government of the Socialist Federal Republic of Yugoslavia shall constitute an amendment to the Agreement between our two governments.

The Embassy of the United States of America takes this opportunity to renew to the Federal Secretariat for Foreign Affairs of the Socialist Federal Republic of Yugoslavia the assurances of its highest consideration.
