DIRECTORATE-GENERAL
EXTERNAL RELATIONS

Dear Ambassador,

In connection with the European Economic Community's Agreements in textile products with Hong Kong, Philippines, Thailand, Pakistan, India and China negotiated under Article 4 of the Arrangement, I have to inform you of the following.

Between 1987 and 1989, the Community had several consultation meetings with the above mentioned countries in order to adjust the quantitative limits for a number of products affected by the implementation of the Harmonized System in accordance with Paragraph 18 of the Protocol extending the Arrangement.

The modified quantitative limits contained in the Agreed Minutes annexed to this letter are herewith communicated under Article 4 paragraph 4 of the Arrangement, as a modification to Community's Agreements with Hong Kong, Philippines, Thailand, Pakistan, India and China.

The Community intended to present these modifications once it had completed its consultations with all the countries concerned. However, since the consultation with one country has been inconclusive, the Community prefers to present the above mentioned modifications without further delay.

Yours sincerely,

Danièle Smadja
