Ambassador Marcelo Raffaelli  
Chairman  
Textiles Surveillance Body  
General Agreement on Tariffs and Trade  
154 rue de Lausanne

SUISSE

Dear Ambassador Raffaelli:

Pursuant to Article 4 of the Arrangement Regarding International Trade in Textiles (MFA), done at Geneva, December 20, 1973, and to its 1986, 1991 and 1992 Protocols of Extension and Maintenance in Force, I have the honour to provide documentation relative to the extension and modification of the Memorandum of Understanding (MOU) between the Governments of Canada and Indonesia concerning the export of certain textile products from Indonesia to Canada. The relevant agreed record of discussions is attached.

The term of validity of the MOU has, via this instrument, been extended through year-end 1993 and the restraint categories for the MOU have been modified to the new HS based categorization system which is now characteristic of all of Canada's bilateral textiles and clothing restraint agreements and about which the TSB had a discussion at a recent meeting.

Yours sincerely,

  
John F. Donaghy,  
Counsellor

Canada-Indonesia Textile and Clothing Consultations  
Agreed Record of Discussions

1. Delegations representing the Government of Canada and the Government of Indonesia met on December 10 and 11, 1992, in Ottawa, to discuss the extension of the Memorandum of Understanding between the Government of Canada and the Government of Indonesia relating to the export from Indonesia of certain textiles and textile products for import into Canada (MOU).
2. The two delegations agreed to extend the MOU for a 12 month period to December 31, 1993. This extension applies to all terms and conditions contained in the MOU. This extension is without prejudice to any changes which may be negotiated in the Uruguay Round covering trade in textile products.
3. The two delegations agreed that effective January 1, 1993, Annexes I and II to this Agreed Record will replace Annexes I and II of the MOU.
4. Further to the Agreed Record of Discussions of July 31, 1992, concerning the conversion of the MOU to an arrangement based on the Harmonized System ("HS"), the two delegations agreed on a special swing to Agreement Item 7/8a of 15% from either Agreement Item 3a or 4. This special swing is to be reviewed after 3 years. They agreed that Agreement Item 14 would not include Sub-agreement Items.
