General Agreement on Tariffs and Trade

Dear Ambassador Raffaelli:

Pursuant to the provisions of paragraph 4 of Article 8 of the Arrangement Regarding International Trade in Textiles, I am notifying you of adjustments made by my government against China's quotas for categories 339 and 352. These adjustments were made in response to evidence showing transshipments of goods produced in China but incorrectly identified as products of third countries. China's 1994 category 339 quota has been reduced by 59,165 dozen and category 352 by 1,343,603 dozen.

Sincerely,

William Tagliani
Attache
