Dear Mr. Ambassador,

In connection with the European Economic Community's Agreement on trade in textile products with India negotiated under Article 4 of the Arrangement and signed on 17 February 1981, I have to inform you of the following :

During the course of 1981 imports of men's and boys' jackets (category 17) from India into the Irish region of the Community exceeded 2000 pieces, being the level at which the Community can ask for consultations with a view to establishing a limit in respect of the region of the Community concerned under the provisions of Article 6 of the Agreement. The Community having deemed that there was real risk of market disruption in this case, the two sides consulted on 28 January 1982 in pursuance of Article 12 of the Agreement. As a result of these consultations, and in conformity with the provisions of the Agreement, India agreed to limit exports to Ireland as follows :

Category	Unit	Member State	1982
17	1000 p.	Ireland	17,000

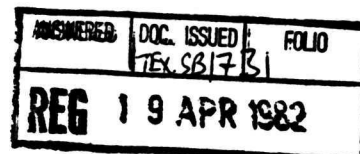

These new limits contained in the Agreed Minute annexed to this letter are herewith communicated under Article 4, paragraph 4 of the Arrangement, as a modification to the Community's Agreement with India.

Yours sincerely,
