Mr. Horst G. Krenzler  
Director  
Special Representative for  
Textiles Negotiations

Sir,

Please refer to the Agreement between the European Economic Community and the Islamic Republic of Pakistan signed on 7 July 1979, and in particular to Article 16 para. 1 thereof which provides that the Agreement may be extended by mutual agreement until 31 December 1982 as well as to the exchange of letters initialled on 27 December 1977.

Given that negotiations for the new Multi Fibre Arrangement have begun, and on the assumption that such a new Arrangement will be concluded, the European Economic Community wishes to propose, in order to ensure continuity and stability of trading conditions, that it now be agreed to extend the Agreement on Trade in Textiles Products between the European Economic Community and the Islamic Republic of Pakistan until 31 December 1982. The European Economic Community invites the Government of Pakistan to confirm its agreement to the foregoing, it being understood that the agreement of both parties shall not prejudice in any manner the stand of the Government of Pakistan or of the European Economic Community with regard to the successor Arrangement to the present Multi Fibre Arrangement.

I also propose that the present letter and the reply of the Government of Pakistan shall constitute an Agreement between the Government of Pakistan and the European Economic Community.
