REC 11 APR 1984

In connection with the European Economic Community's Agreement on trade in textile products with the Republic of Korea initialled on 13 December 1982 and negotiated pursuant to Article 4 of the Arrangement as extended by the 1981 Protocol of Extension, I have the honour to inform you of the following :

During the course of 1983 imports of under garments (category 82) from the Republic of Korea into France exceeded 10 tonnes, being the level at which the Community could ask for consultations with a view to establishing a regional limit under the provisions of Article 7 of the bilateral Agreement. The Community having deemed that there was a real risk of market disruption in this case, the two sides consulted on 21 December 1983 in pursuance of Article 14 of the Agreement. As a result of these consultations, and in conformity with the provisions of the Agreement, the Republic of Korea agreed to limit exports to France as follows :

Category	Unit	Member State	1984	1985	1986
82	Tonnes	F	29	30	31

.../...

This new Limit contained in the agreed minute annexed to this letter, is herewith communicated under Article 4, Paragraph 4 of the Arrangement, as a modification to the Community's Agreement with the Republic of Korea notified in 1984 and circulated under COM/TEX/SB to the T.S.B.

Yours sincerely,
