PERMANENT MISSION OF TURKEY
GENEVA

635

Geneva, 25 April 1984

Dear Mr. Chairman,

In response to your letter dated 21 February 1984, I have the pleasure to enclose herewith the information requested in that letter on restrictions implemented in Turkey on the importation of textile products.

Table I in the annexed documentation, contains a list of textile products whose importation into Turkey is not authorized under the import regime valid for the year 1984.

Table II of the same documentation shows the textile products which can be imported with the prior permission of the Under-secretariat for the Treasury and Foreign Trade. In the view of the Turkish authorities, this prior permission does not constitute an import restriction of the type covered by the GATT.

Please accept, Dear Mr. Chairman, the assurances of my highest consideration.

Selim Kuneralp
Counsellor
