Textiles Surveillance Body

Tentative programme of meetings for September to December 1983

Note by the Chairman

Because of the meeting of the ITMF in West Berlin, in the week beginning September 19, it will not be possible to schedule a meeting of the TSB in that week. The following programme is thus suggested, bearing in mind dates known so far of other GATT meetings in which members may be involved:

	<u>TSB</u>	<u>Other GATT meetings</u>
September	[15-16]	15 - Working Party on Structural Adjustment
	27-30 or 26-29	26-30 - meetings concerned with International Dairy Arrangement
October	10-12	10-14 - Group on QRs and other NTMs (tentative duration - 2 days)
	26-28	24-28 - Anti-Dumping and Subsidies
November	7-9	9-11 - Customs Valuation
	16-18	
	29-2 December	
December	week 12-16 (depending on Textiles Committee)	

The date for the autumn meeting of the Textiles Committee has not yet been fixed, but it would seem likely that it may be scheduled in the first half of December. The TSB's report to the Textiles Committee should in any case be finalized by the meeting of 16-18 November in order to be sent to the Committee at least ten days in advance of its meeting. The meeting of 29 November-2 December and any meeting in December would be devoted to new notifications.
