Notification under Article 3:4

5. As agreed at the previous meeting, the TSB reviewed a notification made by Canada under Article 3:4 of an interim agreement concluded with Costa Rica regarding imports of underwear. This agreement, valid for the period 1 December 1993 to 30 June 1994, superseded a previous measure notified under Article 3:6.²
6. The TSB examined the relevant documentation and agreed that there was a case of market disruption. It also noted that the base level was substantially higher than the rollback level.

10. The TSB, in view of its decision at the previous meeting³ as well as the request by Jamaica, agreed to invite Jamaica and Canada to present their respective cases at its next meeting.

Notifications transmitted under Articles 7 and 8
