## Committee on Technical Barriers to Trade

### PREPARATIONS FOR THE FIRST THREE-YEAR REVIEW OF THE OPERATION AND IMPLEMENTATION OF THE AGREEMENT

#### Communication from the United States

It will be recalled that, at its meeting of March 4, 1982, the Committee agreed that delegations wishing to do so should submit their proposals for items to be discussed in connection with the Three-Year Review. For its part, the United States suggests that the following topics be included in the Committee's discussion of preparations for the first Three-Year Review:

1. Procedures for Notification
2. Statement on Implementation and Administration
3. Applicability of the Agreement to Processes and Production Methods (PPMs)
4. Meeting of Inquiry Points
5. Regional Standards-Related Activities
6. Revised Inventory of Non-Tariff Measures
7. Applicability of the Agreement to Services

The United States reserves the right to make modifications to this list of topics.
