CORRIGENDUM TO THE NOTES UPON THE SIXTH MEETING OF SUB-COMMITTEE I ON CONSULTATIONS WITH THE INTERNATIONAL COURT OF JUSTICE.

1. Delete the words "upon this matter" in the third line of page 2.

2. Substitute the following for the second and third sentences of the final paragraph of the Notes:-

"He added that certain members of the Sub-Committee, not having participated, it was impossible to ascertain the opinion of the Sub-Committee on this point. The Chairman stated, without objection by any representative, that under paragraph 1 of Article 94 consultation could only be interpreted as still in process of settlement while there was a hope of settlement. A Member to whose request for consultation another Member had failed to respond would be entitled, at the expiration of a reasonable period, to regard consultations as not having led to a satisfactory settlement for the purpose of that paragraph."
