The Working Party is (1) to examine and make recommendations to the Sub-Committee regarding possible arrangements between the ITO and the Bureau on the basis initially of alternative (c) in paragraph 3 of Article 87 but bearing in mind the possibility of the subsequent modification of this arrangement on the lines of alternative (b); (2) to consider to what extent, if any, it would be appropriate and possible for the Executive Committee to assist the Belgian Government in meeting its present difficulties regarding the administration of the Bureau, and (3) to consult with the Director of the Bureau in its consideration of the matters referred to in (1) and (2) above.
