## DERESTRICTION OF DOCUMENTS OF THE COMMITTEE ON TRADE AND DEVELOPMENT

### Note by the Secretariat

1. In anticipation of the adoption of the recommendation in L/2564 by the CONTRACTING PARTIES, the Committee on Trade and Development has approved the following arrangements:

- (a) After each session of the Committee on Trade and Development, the secretariat will circulate a list of the documents pertaining to the Committee issued up to the close of that session with proposals for their derestriction.
- (b) A contracting party considering that any of the documents proposed for derestriction should not be derestricted should advise the secretariat within ten days of the circulation of the list. The document in question will be withheld from derestriction.
- (c) The remaining documents on the list will be derestricted fifteen days after the circulation of the list.

2. As regards past documents pertaining to its work, the Committee has agreed that the following documents should be derestricted with effect fifteen days after the close of the present session, i.e. on 1 April. Contracting parties wishing to see any of the papers withheld from this action should advise the secretariat as soon as possible before 25 March. The documents in question are the following:
