The People's Republic of China has submitted to the GATT CONTRACTING PARTIES a request to resume its status as a contracting party (L/6017) and a Memorandum on the People's Republic of China's Foreign Trade Régime (L/6125). Taking note of the statements made in the Council of 4 March 1987, a Working Party was established by the Council. This Working Party will examine the foreign trade régime of the People's Republic of China, develop a draft Protocol setting out the respective rights and obligations, provide a forum for the negotiation of a schedule, address as appropriate other issues concerning the People's Republic of China and the GATT, including procedures for decision-making by the CONTRACTING PARTIES, and make recommendations to the Council.
