This is the second annual index of the items reproduced in the International Trade News Bulletin. The items are indexed under GATT, intergovernmental agencies and groups, and by countries respectively. There are also sections dealing with international arrangements for raw materials, consular formalities, state trading and export incentive schemes.

This index does not include trade agreements, for which separate indexes are issued every six months.

Issued on behalf of the
Contracting Parties to the General Agreement on Tariffs and Trade:
Geneva, Switzerland.
