Basis for determination codes:

HM -home market price
 TM -third country market price (specify country)
 CV -constructed value
 SP -prices charged by same producer
 CP -prices charged by other producer
 CPT -prices charged by other producer in third country
 OCT -costs of other producer in third country
 O -other (specify)
 LDC -treatment having regard to Article 13 of the Agreement
 and the Decisions of the Committee, document A P/2 (also in column 3, where applicable).

* Trade volume based on statistical data for the latest available financial year prior to initiation.
