QUESTIONNAIRE USED IN ANTI-DUMPING INVESTIGATIONS

Addendum

1. At its May 1980 meeting the Committee agreed that Parties who used questionnaires in anti-dumping investigations should submit them to the Committee for information (ADP/M/2, paragraph 30).
2. The secretariat has received copies of the United States standard form questionnaire for foreign manufacturers and sellers currently used by the United States authorities administering the anti-dumping laws. Given the length of the questionnaire it will not be circulated but is available in the secretariat for inspection by interested delegations.¹
