MINUTES OF THE MEETING
HELD ON 26-27 AND 29 APRIL 1993

Corrigendum

The following corrections should be made to the Document ADP/M/40, as follows:

In paragraph 193:

(a) Replace "However, the Agreement did not imply that the purchase of a product through public tendering could not be considered as a normal transaction in the normal course of normal trading operations." by "However, when the purchase order is given to the Brazilian producer, it can be seen as a virtual importation."; and,

(b) After the last sentence add "The Agreement did not imply that the purchase of a product through public tendering could not be considered as a normal transaction in the normal course of normal trading operations."

In paragraph 195, the fourteenth line should read: "these three lines based on the proportional share of the specific sales value of each production line in the total sales value. For"

In paragraph 199, the fifth last line should read: "and the adjusted price of sales of the exclusive distributor in Mexico of the Spanish firm to the first non-related customer was used as";

Paragraph 203, replace the last sentence by the following text: "Another question was how prejudice was found in this case while, as in the steel cables manufactured in Mexico case, the steel pipes and tubes were subject to quantitative restraints governed by the United States itself."
