Agreement on Trade in Civil Aircraft

Original: English/French

## TECHNICAL SUB-COMMITTEE

### Proposal by the EEC

The following communication, dated 2 April 1980, has been received by the Chairman of the Technical Sub-Committee from the European Communities.

---

We herewith submit to you in your capacity as chairman of the Technical Sub-Committee of the Committee on Civil Aircraft, on behalf of the European Communities, a list of products which we have drawn up with a view to modifying and enlarging the product coverage of the Civil Aircraft Agreement.

This proposal is made in accordance with paragraph 2 of the terms of reference of the Technical Sub-Committee contained in GATT document AIR/3 of 27 March 1980, and also in response to the request contained in GATT document AIR/W/1 of 29 February 1980.

This list is provisional, it is not exhaustive and we reserve the right to make additions or modifications to it. Reasons and justifications for inclusion of the products in this proposed list will be given in the Sub-Committee together with trade figures where available.

ANNEX

LIST OF PRODUCTS

- ex 83.02 Automatic door closers, for use in civil aircraft
- ex 84.07 Parts of hydraulic engines and motors, for use in civil aircraft.
- ex 84.08 Parts of other engines and motors, for use in civil aircraft
- ex 84.10 Parts of pumps for liquids whether or not fitted with measuring devices, for use in civil aircraft
- ex 84.11 Parts of air pumps, vacuum pumps, air or gas compressors, for use in civil aircraft  
Parts of fans, blowers and the like, for use in civil aircraft
