Arrangement Regarding Bovine Meat

INTERNATIONAL MEAT COUNCIL

Beef and Veal: Competition from Other Meats and Effects of Cereal and Feedgrain Production and Prices

Corrigendum

Page 20, the last phrase of the first paragraph should read:

"In 1986, poultry meat costed less than half the price for beef. Furthermore, still more expensive than sheepmeat in the beginning of the 1970's, it now rates some 35 per cent below.
