Arrangement Regarding Bovine Meat

INTERNATIONAL MEAT COUNCIL

Inventory of Domestic Policies and Trade Measures and
Information on Bilateral, Plurilateral or
Multilateral Commitments

Reply to Parts G and H of the Questionnaire

ARGENTINA

The participants have agreed to provide information concerning their
domestic policies and trade measures including bilateral and plurilateral
commitments on the basis of Parts G and H of the Questionnaire (Rule 16 of the
Rules of Procedure). The documents containing replies to these parts of the
Questionnaire are circulated under the symbol IMC/INV; they will be partly
revised as and when changes are notified.

This set of documents will constitute the inventory of all measures
affecting trade in bovine meat, including commitments resulting from bilateral,
plurilateral and multilateral negotiations, which the Council has instructed the
secretariat to draw up and keep up to date, under the provisions of Article III
of the Agreement (Note to Article III of the Arrangement and Rule 18 of the Rules
of Procedure).

1For replies to the statistical parts, see IMC/STAT/14.
PART G

Part G.1 Information on domestic policies and trade measures

The general policy embracing the meat sector in the Argentine Republic is based on market economy, and producer, consumer and export prices are determined by the operation of the various factors of supply and demand. There are no producer guaranteed prices or subsidies.

There are no levies or restrictions on the import of meat.

As regards exports, there are no existing restrictions or levies.

Part G.2 Notification of policy changes

Nothing to report.
Part H.

Information on bilateral or plurilateral agreements in the field of bovine animals, meat and offals
