Reply to Parts G and H of the Questionnaire

AUSTRALIA

Corrigendum

The following paragraphs should be substituted on page 6 of Australia's reply:

(2) Policies and measures affecting domestic consumption

Consumer prices and therefore consumption of meat in Australia are determined by market forces. Promotion of meat on the domestic market is undertaken by the Australian Meat and Livestock Corporation, financed by industry funds.

(3) Policies and measures affecting international trade

(a) General

Last paragraph

In addition the Corporation has the power to engage in export trading of meat and livestock in its own right. To date the Corporation has not used its trading powers although the former Australian Meat Board did negotiate direct sales to the USSR in 1970, 1971, 1975 and 1976 and to the United States Defence Forces in 1967 and 1968.
